

## **ADMISSION STATUS**

### **Non-Degree Policy**

Students with a Bachelor's degree, are allowed to take a total of 3 courses or 9 credits as "non-degree" students.

In order that all credits count toward the Master's degree, apply as an incoming student before 9 credits are completed, or three courses. To enroll, as a non-degree student, present proof of an undergraduate degree to the Office of Graduate Studies. An official transcript must also be sent to the Office of Graduate Studies.

The 9-credit limit does not include undergraduate courses needed for eligibility for matriculation into the English graduate degree program. Non-degree credits do *not necessarily* qualify toward fulfillment of the Master's degree.
