

## **THE WRITING CENTER**

The William Paterson University Writing Center, located in Atrium 128, provides one-on-one tutoring for anyone in the university community working on any kind of writing in any stage of development. Tutorial sessions typically take thirty minutes to an hour.

We talk about style, logic, voice, transitions, grammar, and organization, and we work with

students so that they learn to do the important work of proofreading and editing their own writing. We do not, however, talk about grades, and we do not proofread students' work for them. We work on issues that are going to contribute to students' long-term growth as writers.

### **HOURS:**

Monday through Thursday 9-8,

Friday and Saturday 9-1.

The phone number is 973-720-2633.
