

The Basics: Bedding Essentials

Just what will baby need and when? Well, here's a page full of ideas! Register for a cozy wearable blanket for bedtime, receiving blankets for all-purpose use, and swaddle blankets, too. And for those times when you're out and about, we've even included a portable changing station.

The Basics: Toys & Entertainers

They're never too young to start learning... especially when it's so much fun! Through bright colors, fun textures, sounds and lights you'll find amazing activities to stimulate and retain your baby's curiosity and interest. Jumpers, entertainers, play gyms, playmats, mobiles and infant toys are all great first activities for your bundle of joy.

The Basics: Feeding

Baby's feeding needs aren't something you'll want to skimp on. Be prepared with an assortment of bibs, burp cloths and bottle accessories. Add a bottle warmer, microwave sterilizer, and a dishwasher basket or two. After all, little things mean a lot – especially when it comes to keeping baby happy... and making life easier for you!

Quick Start: Beyond The Basics

Now that you've completed The Basics, we bet you're saying: "Wow, that was easy!" So the time has come to move on to some of the bigger decisions: choosing items that are based on your personal taste and lifestyle.

We've selected our most popular patterns and models within each department. From nursery furniture and coordinated baby gear collections, to car seats, strollers and play yards – we have it all plus the accessories you'll need. So look through the categories and **select your personal favorites by scanning the bar code displayed next to the item**. Feel free to also stroll the aisles and explore our huge in-store selection... you'll agree we have the most amazing choices anywhere!

Beyond the Basics includes:

- Nursery Furniture, Bedding & Décor
- Coordinated Baby Gear Collections
- Infant & Convertible Car Seats
- Strollers – Travel Systems, Convenience and Jogging
- Bassinets, Play Yards & High Chairs
- Bouncers, Swings & Carriers

Selecting Beyond The Basics, the Quick Start Easy Way...

Browse through the selection. If you see an item you like, **just scan the bar code for the item to add it to your registry.**
