

# View & Update Your Registry Online at Babiesrus.com

Congratulations! Completing your baby registry is a major milestone in getting ready for your new arrival. Hopefully you've registered for everything you'll need. But if you want to modify your registry, feel free to edit your list online, right from your home, with these online options:

- You can modify your registry online, 24 hours a day, 7 days a week.
- You can view, update and share your registry at [www.babiesrus.com](http://www.babiesrus.com).
- Your friends and family can also purchase gifts from your registry online from anywhere in the country.

## What kinds of updates can I make to my Baby Registry online?

- Add items
- Delete items
- Update item quantities
- Mark an item as purchased
- Modify your arrival date
- Update your mailing address
- Change your registry password

## To take advantage of these convenient online registry services, follow these easy steps:

- When you initially register, select "YES" for the question "Would you like your registry to be available online at [www.babiesrus.com](http://www.babiesrus.com)?"
- Provide your email address and create a registry password. A password is required if you want to be able to update your registry online. It can be 6-10 characters long and is case sensitive.
- Log on to our website at [www.babiesrus.com](http://www.babiesrus.com) and click on either the Baby Registry button or link.
- In the "update your registry" section, find your registry by Name or Registry # and then enter your registry password.
- You are now logged in and are able to make updates to your baby registry.

NOTE: If you did not provide the information above, but wish to take advantage of these online registry services, please visit your local Babies"R"Us store or call 1-888-222-9787. Registries that are not posted online can still be updated in our retail stores. For a copy of the "R"US privacy policy, please call 1-888-222-9787 or visit [www.babiesrus.com/privacypolicy](http://www.babiesrus.com/privacypolicy).
