

TOYS FOR TOTS

Make a big difference
in a little one's life.

Did you know that a child is born into poverty every 43 seconds? Unlike most children, at holiday time, they must do without the benefit of well-chosen toys that create happy childhood memories. Now you can help give to these little ones in need. Babies"R"Us and the Marine Toys for Tots Foundation are partnering to provide gifts to children living in poverty.

There are two ways to help:

- From October 22 - November 22, donate a new, unwrapped toy from the wish list below while visiting any Babies"R"Us or Toys"R"Us store.
- From October 22 - December 24, make a donation in cash* at any Babies"R"Us or Toys"R"Us register, and help spread holiday joy.
